

Company Profile

Decades of experience in the commercial & industrial sector make us a viable and reliable choice for your concrete construction needs. K-Co can efficiently provide fully engineered foundations and beams, and also structural slabs. Whether you need the full rebar package supplied and installed, or if you are just requiring the concrete placing and finishing services, we can put knowledge and experience to work for you!

We have completed many projects both private and public, industrial and commercial in and around the Peace Country and Grande Prairie area. If you are looking for an experienced and efficient crew, we can help!

Our scope of work

- Grade and Compaction
- Concrete Piles/Screw Piles
- Concrete Grade Beams
- All Rebar Work
- Concrete Place / Finish / Saw Cut / Sealer
